

2012- Texans CTAP Spring Calendar

U8-U10 Academy Soccer League / Training

U6-U8 Technical Training / U4-U6 First Kix

CTAP U8-U10 League and Training: The Training and League Play portion of CTAP is for U8, U9, and U10 players who are interested in pursuing more of what the game has to offer. Players will receive two training sessions per week with the Texans professional staff. Games and training will be provided at both Meyer Park and Burroughs Park. Academy Soccer League games will be played on Saturday with players having the option to also get game experience in the Houston PDF League on Sunday. This program is a great way for players to test the waters of select soccer, interact with the staff more frequently, and meet new teammates.

CTAP Technical Training and First Kix: The Technical Training and First Kix portion of CTAP is for U4-U8 players who are interested in experiencing a new challenge through training sessions. Players will receive training one or two times per week with the professional coaches of the Texans Soccer Club. Training will be provided at both Meyer Park and Burroughs Park.
